## ORDER CANCELING INTEREXCHANGE CERTIFICATE OF SERVICE AUTHORITY AND CANCELING TARIFF

Issue Date: December 1, 2005 Effective Date: December 1, 2005

This order cancels the interexchange certificates and tariff of Call Processing, Inc.

On November 16, 2005, Call Processing filed an application to cancel its certificate of service authority for interexchange telecommunications services and to cancel its interexchange tariff. Call Processing was granted a certificate of service authority to provide interexchange telecommunications services in Commission Case No. TA-2001-200.

Call Processing has no pending actions or final unsatisfied judgments or decisions against it in any state or federal agency or court that involve customer service or rates within three years of the date of its application. Call Processing does not have any annual reports or assessment fees that are overdue.

On November 28, 2005, the Commission's Staff filed its recommendation. Staff indicated that Call Processing has no Missouri customers. Staff recommended that the Commission cancel the certificate and the accompanying tariff.

The Commission has the authority to cancel a telecommunications corporation certificate under Section 392.410.5, RSMo, which states: "Any certificate of service

authority may be altered or modified by the commission after notice and hearing, upon its own application or upon application of the person or company affected." In addition, Section 392.460 requires that, before a telecommunications company can abandon its service, the company must show that customers will not be deprived of service and that the company's action is not contrary to the public interest.

The Commission has reviewed the verified application, Staff's recommendation, and the official case file. The Commission finds that canceling Call Processing's certificate and tariff will not affect customers or competition in Missouri, so there will be no detriment to the public interest. Therefore, the Commission concludes that the certificate of service authority granted to Call Processing in Case No. TA-2001-200 and the accompanying tariff shall be canceled.

## IT IS THEREFORE ORDERED:

- 1. That the certificate of service authority to provide interexchange telecommunications services granted in Case No. TA-2001-200 to Call Processing, Inc., is canceled.
  - 2. That the interexchange tariff of Call Processing, Inc., is canceled.

- 3. That this order shall become effective on December 11, 2005.
- 4. That this case may be closed on December 12, 2005.
